The Vedas are a large body of texts originating in ancient India. Composed in Vedic Sanskrit, the texts constitutes the oldest layer of Sanskrit literature and the oldest scriptures of Hinduism.

Scholars have determined that the Rig Veda, the oldest of the four Vedas, was composed about 1500 B.C.

Richest country of the world till the 11th century
In the 20th century, India was termed as a rich country where poor people live

 IQ

- A weak predictor for
 - achievement
 - job performance success
 - overall success, wealth, & happiness
- Accounts for a major component of employment success according to numbers of studies covering career success; maybe as much as 20-25%.

Origin of word "Mentor"

- **Mentor** was the son of Alcimus.
- In his old age Mentor was a friend of Odysseus.
- When Odysseus left for the Trozan war, he placed Mentor as in charge of his son Telemachus.
- Because of Mentor's relationship with Telemachus the personal name Mentor has been adopted in Latin and other languages, including English, as a term meaning someone who

imparts wisdom, and shares knowledge
with a less-experienced colleague.

Enjoyment Performance – Positive Cycle

Research shows that employees who enjoy at least 75% of their work are **three times more likely to succeed**.

- ▶ You are likely to **repeat behaviors you enjoy**.
- ▶ When you repeat an activity, you **tend to improve or get better** at it.
- ▶ When you do something well, you tend to **get positive feedback** and increased self-confidence.
- ▶ Which leads to further **enjoyment** of that behavior.

It was a great Initiative by AICTE FDC. I am thankful to AICTE for giving me this opportunity to conduct online STTP for faculty members of technical institution and industry expert of India free of cost. I got huge response from registration as well as lots of compliment for arranging the AICTE online short term training program, especially about speakers and contents delivered. I really thanks to AICTE for providing me such facility to arrange such learning and motivational events.

Regards
