# OVERALL SYNOPSIS

The **Shrinik Club** organised a Mini Code 2.0 under the aegis of the **Department of Computer Science & Engineering**.

The objective of the event was to make students familiar with coding competitions and inspire them to embrace their brainstorming ability by solving problems. The students will get exposure to industry related problems and compete to realize their true potential which would also enrich their skills.

Programming contests can provide a high-profile methods for attracting interest in computer science. The motive is to successfully combine the theoretical and practical aspects of computer science in an enjoyable contest in which many students can participate and hopefully the event witnessed the same aim to be accomplished.

-----

We extend our most sincere thanks to the **Head of the Department, Dr. Sansar Singh Chauhan** Sir for his immense support who always stands forward in order to organize promote such events to make the students of the college outshine in the field of coding skills.

We are glad the efforts put in by everyone have barred us the fruits. We extend our most sincere thanks to the entire Shrinik family for their incessant support, guidance for the great success of '**Mini Code 2.0**'

**WE APPRECIATE YOUR PRESENCE AND PROMISE  
TO DELIVER SUCH AMAZING PROGRAMS AHEAD.**

**THANK YOU!  
TEAM SHRINIK**
