# ABOUT THE INSTITUTE

G.L. Bajaj Institute of Technology and Management is one of the quality driven Educational Institute in the Greater Noida. GL Bajaj stands out as one of the best engineering and management college in Uttar Pradesh and approach to assist and equip the students for their overall development, giving them a strong foundation for a successful future. The institute offers B.Tech, MBA and MCA programs.

This self financed institute is governed by Rajeev Memorial Academic Welfare Society (Registered Under Societies Registration Act 1860). It is approved by All India Council for Technical Education (AICTE), Ministry of Human Resource Development, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

The institute has been maintaining its positions amongst the top engineering and management colleges in AKTU university results. It has been maintaining the highest pass percentage amongst the engineering and Management colleges in Noida and Greater Noida

# MESSAGE FROM DIRECTOR

*“The goal of education is the advancement of knowledge and the dissemination of truth.”*

Welcome to GL Bajaj, where academics and activities never end and the students are moulded as future technocrats and business leaders. The Institute works on the vision to become one of the leading centres of teaching, research and extensions in the field of Engineering and Technology through total commitment towards quality education and training. We instil our students with the strength of character, self-confidence technical competence, and leadership in management. Further GL Bajaj spares no effort to deliver the curriculum in the most effective manner. We propagate knowledge to the students with the help of dedicated faculty, state-of-the-art library and well-equipped labs along with audio-visual theatre.

With the world becoming a global village and globalization coupled with stiff competition is making its presence felt in our country, the need of the hour is to meet such tests and challenges successfully. Hence the institute constantly scans the developments in Technology, Science and society and tries proactively to meet the challenges.

The institute has an enviable track record of academic excellence. Our placement record reflects the versatile talents of the institute's student community. As a part of GLBITM's commitment towards quality technical education and excellence, we embarked on promoting the Faculty Development Program, Seminars, Workshops, and Conferences, which keep the faculty members and the students abreast of their field.

I on behalf of GL Bajaj Institute of Technology and Management, invite you to embark on a lifetime partnership with the Institute.

---

**Dr. Preeti Bajaj**  
Director, GLBITM

# MESSAGE FROM HOD

*“Education serves to ignite the spark of knowledge and unravel the threads of truth”*

With the world becoming a global village and globalization coupled with stiff competition is making its presence felt in our country, the need of the hour is to successfully meet such tests and challenges. Hence the institute constantly scans the developments in Technology, Science and in society and tries proactively to meet the challenges.

The institute has an enviable track record of academic excellence, which is coupled with hands-on industrial training, and innumerable industry-institute interaction, which makes each GL Bajaj student ready to be absorbed in the industry. Our placement record reflects the versatile talents of the student community of the Institute. It shows their technical and managerial skills.

As a part of GLBITM's commitment towards quality technical education and excellence, we embarked on promoting Faculty Development Program, Seminars, Workshops and Conferences, which keep the faculty members and the students abreast of their field.

# FACULTY MEMBERS

The Department of Computer Science and Engineering (Data Science) at GL Bajaj Institute of Technology and Management is home to a distinguished and dedicated team of faculty members who bring a perfect blend of academic expertise, research excellence, and industry experience. The faculty members are passionate educators who are committed to shaping the next generation of data scientists and innovators.

The department fosters a student-centric learning environment, where faculty members mentor, guide, and inspire students to excel academically and professionally. Their open-door policy and commitment to continuous learning ensure that students are supported at every step of their academic journey.

Together, the CSE (Data Science) faculty at GL Bajaj uphold the institute's vision of excellence, innovation, and holistic development.

In a rapidly globalizing world, it is essential to be prepared for evolving challenges. At GL Bajaj, we continuously monitor advancements in technology, science, and social trends to equip our students for the future.

With a strong record of academic excellence, hands-on industrial training, and active industry engagement, GL Bajaj ensures that its students are industry-ready. Our outstanding placement results highlight their technical expertise and leadership skills.

Committed to quality education, GLBITM promotes Faculty Development Programs, seminars, workshops, and conferences to keep our faculty and students at the forefront of innovation. Through vibrant initiatives like the Yuktikula club, we nurture creativity, innovation, and leadership beyond academics.

On behalf of GL Bajaj, we invite you to embark on a journey of growth, excellence, and opportunity with us.

## FACULTY WALL

# MS. SUGANDHA CHAKRAVERTI

(FACULTY ENRICHMENT THROUGH FDP ON INNOVATIONS, SUSTAINABILITY & LEADERSHIP)

Ms. Sugandha Chakraverti from G. L. Bajaj Institute of Technology & Management, Greater Noida successfully completed one week Faculty Development Program on “Innovations, Sustainability & Leadership (WISL”, organized by IEEE Region 10 Adhoc Committee on Entrepreneurship & Innovation (ACEI), Ambassador Team, Delhi Section in collaboration with IEEE Delhi Section.

Held from 14th July to 18th July 2025, the FDP focused on contemporary advancements in Sustainability, particularly in innovations, practical implementations, and emerging research opportunities. This intensive program offered participating faculty members a valuable platform to gain hands-on insights into the evolving landscape of artificial intelligence, contributing meaningfully to both their academic and professional growth.

## MS. YASHA ISTWAL

(FACULTY ENRICHMENT IN AI: FDP BY NIT KARNATAKA AND IEEE DELHI SECTION)

Ms. Yasha Istwal from G. L. Bajaj Institute of Technology & Management, Greater Noida has recently completed two notable Faculty Development Programs in the domain of Artificial Intelligence. She successfully participated in 5-days FDP on “Generative AI with LLM, organized by STEP-National Institute of Technology, Karnataka in association with Pantech e-Learning, which focused on the latest advancements in AI and its real-world applications.

Additionally, Ms. Istwal has completed FDP on “Innovations, Sustainability & Leadership (WISL”, organized by IEEE Region 10 Adhoc Committee on Entrepreneurship & Innovation (ACEI), Ambassador Team, Delhi Section in collaboration with IEEE Delhi Section. emphasizing practical use cases of generative technologies.

## FACULTY WALL

# DR. RITUPARNA SARMA

(CONTRIBUTION TO NATIONAL PANEL ON CYBERSECURITY INNOVATION AND INSIGHT)

Dr. Rituparna Sarma from G. L. Bajaj Institute of Technology & Management, Greater Noida actively participated in the Panel Discussion on “Cybersecurity Reimagined: Innovating with Insight and Illumination”, conducted on 27th June 2025 by the IEEE Women in Engineering (WiE) India Council. The event was part of the Golden Jubilee celebrations of the IEEE India Council and IEEE WIE Day 2025.

The session brought together thought leaders and experts to explore the future of cybersecurity, offering insightful discussions on innovative approaches, evolving threats, and proactive strategies. Dr. Sarma’s participation reflects her continued commitment to staying updated with emerging trends in cybersecurity and contributing to the academic dialogue on digital safety and resilience.

## CSDS STUDENTS WIN ₹1 LAKH GRANT AT BHASHINI MAHA HACKATHON

We are proud to share that Team De-Debug has achieved a remarkable milestone by securing the Runner-up position at the Bhashini Maha Hackathon Challenge 1.0, a prestigious national-level competition organized by the Department of Electronics and the Government of India.

Representing our college and department with distinction, the team was awarded a prize of ₹1,00,000 for their outstanding innovation and technical excellence. The team comprises Param Saxena and Ameya Khyati from Computer Science and Data Science (CSDS). Their project, titled "DomeWatch", stood out for its relevance and impact, earning recognition on a national platform. Special mention to Param Saxena, who continues to build a stellar track record in hackathons, bringing pride to the department.
