Summary report

Name of event:

Faculty Development Program on “Research: An Inevitable Element of Epistemology”

Dates: 24th to 29th June 2016

A Faculty Development Program (FDP) on “Research: An Inevitable Element of Epistemology” was organized by Department of Mechanical Engineering, G. L. Bajaj Institute of Technology & Management, Greater Noida. The FDP was organized from 24th to 29th June 2016.

Objectives of FDP:

The broad objectives of this FDP included:

- To enable faculty to define the research problem and develop an appropriate methodology for their studies.
- To help researchers identify research gaps and write a research paper.
- To develop an overview of the different quantitative and qualitative techniques used in engineering research.

Topics covered in FDP:

Following topics were covered in FDP by invited eminent speakers:

S. No.	Topic	Name of Speaker
1	Effective way to read & write research paper	Prof. P. M. V. Subbarao
2	Importance of Research in Academics	Prof. Pratap Singh
3	Advanced Research in Power Systems	Prof. H. C. Sharma
4	Research: The soul of teaching	Prof. Rajeev Agrawal

The detailed program schedule of FDP is given in next pages.
