Venue: Auditorium-2, AB-1, GLBITM

Dr. Sandeep Shastri
Vice Chancellor
Jagran Lakecity University,
Bhopal

It was a 1 hr. session, which started at 10:00 AM and lasted up to 11:00 AM. The target audience was B. Tech 3rd Year students of CSE, ECE & ME Branches.

It was quite a fruitful session for the students. Around 210 students from the above mentioned branches participated and gained additional information about how they can be less dependent on Google and use their rational power in order to get their problems solved. Director GLBITM **Dr. Rajeev Agrawal** welcomed the guest - **Dr. Sandeep Shastri (Vice Chancellor of Jagran Lake City University Bhopal)** by presenting a bouquet and a memento.

Dr. Satyendra Sharma (HOD ECE), Dr. M. S. Naruka (Dean Outreach) & Faculties of CSE & ECE Department were present during the lecture.

The coordinator of the event was Ms. Artee Khandelwal and Ms. Rajasree Bhowmik, Mr. Amod Singh Solanki and Mr. Anshuman Tiwari from Department of Training & Skill Development were present during the lecture.
