

Contents (2016-17):

Guest Lecture:
Guest Lecture on Latest Trends in Technology by Expert - Dr Anil Kumar Pandey, France Dr Anil Kumar Pandey, France
Guest Lecture on “Reform in current education system” by Mohd. Noor Alam
Guest Lecture on Elite GO KARTING
Guest Lecture On “Career Opportunities in Medical Electronics” by Expert -Mr. G.P.S. Shekhawat (Director)
Guest Lecture by PrimoTech Energy Solutions
Guest Lecture on Aptitude Skills for Engineers (ECE)
SDG Guest lecture and 3D printing workshop by CEPTA InfoTech Pvt. Ltd
Expert Lecture on Application of advance Power Electronics by Prof. P.K. Sadhu (Prof. & Head Electrical Engineering, IIT-ISM Dhanbad)
Industrial Visit:
Industrial visit to Auto mechanical Fair, Frankfurt, Germany (Mechanical Engineering)
Industrial Visits to National Power Training Institute (NPTI)
Industrial Visit to Triveni, Muradnagar (Mechanical Engineering Department)
Industrial Visits to C&S Electric – EEE Department
Industrial Visit to Niswa Engineering Solution (Idea Challenge)
Industrial Visit to Horizon Meditech
Industrial Visit to Havells (Mechanical Department)
Industry Visit to NMtronics Private Limited
Workshops :
Android Workshop for 2 nd and 3 rd year students on ADT and Enumerator
Workshop on Good health without medicines Using Mudra Vigyan
Workshop on Rubrics for engineering education

Workshop of technical training on Salesforce Learning & Project Development
Workshop on Digital Design Using Verilog
IBM Workshop: Circuits and Design Competition (2 nd and 3 rd year Students)
Workshop on SDLC (IT Department)
Delegates and Participants to 1 Day Workshop – IT Department
INNOVATION AND INCUBATION AWARENESS CAMP
Faculty Development Program :
FDP on “Soft Computing and Machine Learning Using MATLAB” – EEE by Dr Ayush Goyal and Dr Madan Mohan Tripathi
Skill Development Program on Electricity Generation from Conventional & Renewable Energy Sources & their Transmission & Distribution by Ms. Vatsala Sharma & Mr. Mahandra Singh (Faculty, NPTI Faridabad)
FDP on Higher Education, Research and Entrepreneurship for CS and IT Faculties
FDP On Machine Learning by Mr. V.K. Bansal
TCS (Tata Consultancy services) FDP
Technical Events :
Coding Competition (IT): Coding Competition was Held for 2 Year Students.
A POWER POINT PRESENTATION CONTEST (AEENCT-2016)
ICEIT Student Chapter (Circuit and Logic Design, Slide Presentation Competition)
Project Competition (IT) organised by INNOVO for second and third year students
IOS LAB Inauguration by Director of the institute
IOS APPLICATION DEVELOPMENT
Fire Training: Topic – Cutting Edge Technologies in NDT
Technical Session by Mechanical Department
Project Presentation (Open Day):
Electrical and Electronics Engineering Final Year Student Presented their Major Project
Electronics and Communication Engineering Final Year Student Presented their Major Project
Project open day (MCA Department)

Corporate Social Responsibility and Cell Activity :-
TREE PLANTATION
Blood Donation Camp by Rotaract Club
Cultural:
Extempore Competition Was Organised for IT Students by INNOVO
Vishwakarma Pooja (M.E)-Students of ME Department worshiped Lord Krishna at their Workshop
Games of Thrones – Fandom Quiz (M.E)
GL BAJAJ Cycle Ride for environmental awareness program
ICC organised HT-City Rock on Campus; Activities like Solo Dance, Group Dance, Singing, Fashion Walk Were Performed
ENIGMA 2K16
Apollo Camp: An Intercollege Fashion Parade Competition Was held for all B. TECH Students.
SANKALP (Fashion Parade – Inter Institute Cultural Fest)
Blanket Distribution To Labours and Slum Organised by ICC M.E
Alumni Connect Program (IT)
Quiz Competition
DONATE AND MAKE A DIFFERENCE
ICC (EDITORIAL SOCIETY) – ABHIVYAKTI
Digital Orientation Session (M.E)
Orientation Program Conducted for First Year Student
Parikalp
Farewell for MCA-2017
Farewell for Final Year B. Tech (2014-2018) Batch
Celebration of Special Day:
Independence Day Celebration
Diwali Celebration
Republic Day Celebration
Holi Celebration
Sports :
Jabong Football Match

Guest Lectures: Guest Lecture on “Latest Trends in Technology”- 23th Sep '16

A guest lecture on “Latest Trends in Technology” was given by the experts, Dr. Anil Kumar Pandey, Central Electronics Ltd. (A Govt. of India Enterprise) University of Reims, France on 23th Sep '16

Guest Lecture on “Reform in current education system” by Mohd. Noor Alam - 9th Jan'17

A lecture on research proposal was given by Mohd. Noor Alam on the very uprising technology i.e. “Reform in current education system as it seriously and utterly required for our education system on 9th Jan’ 17.

Guest Lecture on “Elite GO KARTING”- 13th Jan’ 17

A guest lecture on Go Karting was given to mechanical department students on 13th Jan, 2017

Guest Lecture on “Career opportunities in medical electronics”- 13th Jan’ 17

An expert lecture on Career opportunities in Medical Electronics was organized by ECE Department of GLBITM, Gr. Noida on 13th January 2017, Mr. G P S Shekhawat, Director, Horizon Meditech provided his views about the future of medical electronics and encouraged students to expand their career options as well as interest in this field for future growth.

Guest Lecture on PrimoTech Energy Solutions- 7th Apr'17

In order to provide the requisite focus to the Renewable Energy Business, PrimoTech Energy Solutions Pvt. Ltd. was incorporated as an entity in 2017. We generate the ideas, technologies and solutions that meet the planet's demand for smarter, cleaner & better energy by creating a sustained value.

Guest Lecture on Aptitude Skills for Engineers by ECE Department–8th April‘17

A guest Lecture on Aptitude skills was given by Mr. Ajay Kumar, Director -Time Education at Seminar Hall Academic Block – II on FRIDAY, 08 April 2017.

Guest Lecture on 3D printing workshop by CEPTA InfoTech Pvt. Ltd

3D printing is any of various processes in which material is joined or solidified under computer control to create a three-dimensional object, with material being added together (such as liquid molecules or powder grains being fused together). 3D printing is used in both rapid prototyping and additive manufacturing.

Guest Lecture on Application of advance Power Electronics by Prof. P.K. Sadhu

(Prof. & Head Electrical Engineering, IIT-ISM Dhanbad)-20th May'17

The dynamic revolution of power electronics in this era is due to the advancements in power semiconductor devices which lead to use the power electronics technology in several key areas. This impact has been bought with the use of newly improved or modern power electronic devices and advanced control techniques.

Industrial Visits

Industrial visit to Auto mechanical Fair, Frankfurt, Germany by Mechanical Engineering-11th - 20th Sep '16

Auto Mechanical Fair held on 11th-20th Sept '16 is an international trade fair for the automotive industry and the most successful trade fair concept of Messe Frankfurt as a meeting place for the industry. It represents the entire process chain from the point-of-sales through service to recycling and disposal. In Frankfurt visitors from crafts, workshop, retail, automotive, owner or operator meet relevant suppliers of workshop equipment and the automotive supplier industry.

Industrial Visits to National Power Training Institute (NPTI)- 30th Sept'16

National Power Training Institute (NPTI), an ISO 9001 & ISO 14001 organization, is a National Apex body for Training and Human Resources Development in Power Sector with its Corporate Office at Faridabad. NPTI is continuing its dedicated service for the last four decades.

Industrial Visit to Triveni, Murad Nagar by Mechanical Engineering Department-9th Jan'17

Triveni Engineering & Industries Limited is a focused, growing corporation having core competencies in the areas of sugar and engineering. The Company is one amongst the largest sugar manufacturers in India and the market leader in its engineering businesses comprising high speed gears, gearboxes, and water treatment solutions.

Industrial Visits to C&S Electric by EEE Department-20th Jan'17

C&S Electric was founded in 1966, with a dream to be a company which plays a vital role in the development of the power infrastructure of India and makes the “Made in India” label respected the world over.

Today we can satisfactorily claim that we live and continue to develop this vision every day.

Industrial Visit to Niswa Engineering Solution- 23rd Feb'17 (Idea Challenge)

At our vendor's high-end infrastructure facility, they use latest production technology to fabricate these products. Implementing parameters of total quality management in our processes and product selection method, we have achieved a great reputation for ourselves in the market.

Industrial Visit to Horizon Meditech- 23rd Feb'17

Horizon Meditech is the pioneer training company in the field of biomedical engineering. It has been conceived and being actively promoted by experienced engineering professionals. Through our constant innovation, unparalleled training techniques and industry-oriented curriculum, we help aspiring candidates to develop right skills for right opportunities.

Industrial Visit to Havells by Mechanical Department- 4th Mar'17

Havells India Limited is a Fast Moving Electrical Goods (FMEG) Company with an extremely strong global presence, thanks to our philosophy of Make in India, extensive distribution network and world class quality.

Industry Visit to NMtronics Private Limited- 20th Mar'17

NMTronics is a market leader in high technology equipment domain, with a responsibility to bring & integrate worlds' best technology solutions in Indian manufacturing industries. We are a 100% subsidiary of Sojitz Corporation Japan, & were incepted in 1999. Being part of a large conglomerate like Sojitz, our biggest attributes are our customer-centric approach which is reflected in our day to day business of Sales & Service of world class manufacturing equipment.

Workshops:-

Android Workshop (IT)- 15th Oct '16

A major share of hand-held devices runs on the Android Operating System - which is open source and customizable. The Android Application Development Workshop provides participants technical training on the concepts and programming methodologies needed to develop applications for mobile devices.

Such a workshop was organized on 15th Oct '16 in the G.L. Bajaj campus for the better understanding of android.

Workshop on Good health without medicines Using Mudra Vigyan – 3rd Jan'17

Mudra vigyan introduces you to a system which will go far in helping you to maintain good health and in helping to overcome ailments / diseases if they do strike at all. The components of the system are:

Mudra Vigyan - The science of finger postures

Chinese Massages

Foods for health

Routine Habits

Plants for cures

Workshop on Rubrics for engineering education 7th Jan'17

Rubrics make assessing student work quick and efficient, and they help teachers justify to parents and others the grades that they assign to students. At their very best, rubrics are also teaching tools that support student learning and the development of sophisticated thinking skills. When used correctly, they serve the purposes of learning as well as of evaluation and accountability.

Technical Training on Salesforce Learning & Project Development - 11th & 12th Jan'17

Salesforce is the primary enterprise offering within the Salesforce platform. It provides companies with an interface for case management and task management, and a system for automatically routing and escalating important events. The Salesforce customer portal provides customers the ability to track their own cases, includes a social networking plug-in that enables the user to join the conversation about their company on social networking websites, provides analytical tools and other services including email alert, Google search, and access to customers' entitlement and contracts.

Workshop on Digital Design Using Verilog -21st - 23rd Jan'17

Digital Design: An Embedded Systems Approach Using Verilog provides a foundation in digital design for students in computer engineering, electrical engineering and computer science courses. It takes an up-to-date and modern approach of presenting digital logic design as an activity in a larger systems design context.

IBM Workshop-3rd Mar'17

A circuits & Logic Design Competition was organized for the students of G.L. Bajaj.

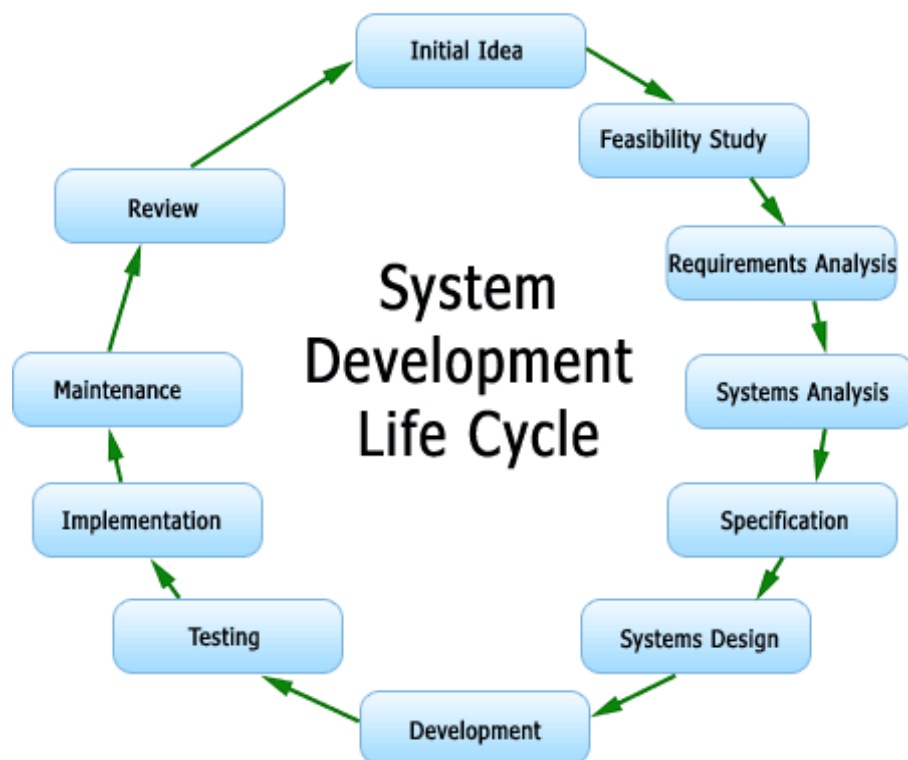

The competition was held on 3rd Mar'17 and had an overwhelming participation.

Workshop On SDLC(IT)- 7th Mar'17

Software Development Life Cycle (SDLC) is a process used by the software industry to design, develop and test high quality softwares. The SDLC aims to produce a high-quality software that meets or exceeds customer expectations, reaches completion within times and cost estimates. Such an informative session was organized on 7th Mar'17

in G.L. Bajaj.

Delegates and Participants to 1 Day Workshop by IT Department-7th Apr'17

A one day workshop was organized on 7th Apr'17 for the IT Department. This Lecture was given by Mr. Ajay Kumar, Director -Time Education, Time Education Pvt. Ltd.

INNOVATION AND INCUBATION AWARENESS CAMP (INCUBE-2016) -30th July, 2016

Workshop on “How to come up with innovative project and make a good entrepreneurial proposal” Saturday, 30th July, 2016

Importance of being innovative in today’s technology driven world

Technology Incubation – converting idea to product

Incubation and Funding Opportunities.

To understand Entrepreneurship and its journey.

Faculty Development Program:

**FDP on “Soft Computing and Machine Learning Using MATLAB” by EEE
Department – 8th to 13th Jul’16**

In computer science, soft computing (sometimes referred to as computational intelligence, though CI does not have an agreed definition) is the use of inexact solutions to computationally hard tasks such as the solution of NP-complete problems, for which there is no known algorithm that can compute an exact solution in polynomial time. Using MATLAB®, engineers and other domain experts have deployed thousands of applications for predictive maintenance, sensor analytics, finance, and communication electronics. Such an informative session was organised by G.L. BAJAJ on 8th -13th Jul' 16 by the experts: Dr. Ayush Goyal, Dr Madan Mohan Tripathi, Prof. D.K. Chaturvedi

Skill Development Program on Electricity Generation from Conventional & Renewable Energy Sources & their Transmission & Distribution- 28th Sept'16

Renewable energy is energy that is collected from renewable resources, which are naturally replenished on a human timescale, such as sunlight, wind, rain, tides, waves, and geothermal heat. A FDP was organised by G.L. Bajaj institute of technology, Greater Noida with the experts Ms. Vatsala Sharma & Mr. Mahendra Singh (Faculty, NPTI Faridabad)

FDP on Higher Education, Research and Entrepreneurship-26th Nov' 16

Objective of this FDP is to train and mentor faculty members for effective teaching skills in higher Education. Curriculum of this programme is based on first research based book in India for Faculty Career Orientation and Advancement i.e. Higher Education Faculty Career Orientation and Advancement. FDP will also cover success stories of few eminent academicians apart from case studies, activities, daily surprise, etc. This informative event was organised on 26th Nov'16 for the CSE/IT Faculties.

FDP on Machine Learning-27th to 31st Dec' 16

Machine learning is a field of computer science that uses statistical techniques to give computer systems the ability to "learn" (e.g., progressively improve performance on a specific task) with data, without being explicitly programmed. The name machine learning was coined in 1959 by Arthur Samuel.[1] Evolved from the study of pattern recognition and computational learning theory in artificial intelligence,[3] machine learning explores the study and construction of algorithms that can learn from and make predictions on data[4] – such algorithms overcome following strictly static program instructions by making data-driven predictions or decisions.

A 5 day session was organized by G.L. Bajaj from 27th to 31st Dec'16 by the expert Mr. V.K. Bansal.

A FACULTY DEVELOPMENT PROGRAM BY TCS-8th Apr' 17

Tata Consultancy Services Limited (TCS) is an Indian multinational information technology (IT) service, consulting company headquartered in Mumbai, Maharashtra. [2][3] It is part of the Tata Group and operates in 46 countries.

TCS is one of the largest Indian companies by market capitalization. TCS is now placed among the most valuable IT services brands worldwide. TCS alone generates 70% dividends of its parent company, Tata Sons. The parent group recently decided to sell stocks of TCS worth \$1.25 billion in a bulk deal. In 2015, TCS is ranked 64th overall in the Forbes World's Most Innovative Companies ranking, making it both the highest-ranked IT services company and the top Indian company. It is the world's 2nd largest IT services provider.

TCS organized a FDP on 8th Apr'17 in GLBITM Greater Noida for the corporate learning and corporate knowledge expansion of teachers.

Technical Events:

Coding Competition-12th October ,2016

The coding competition was held for 2nd year students. There were 3 rounds:

Decipher, quiz master, code combat sponsored by innovo.

The event observed lot of enthusiasm among the students of G. L BAJAJ. We were overwhelmed by their joy and determination at the time. The event took place on 12th October ,2016.

POWERPOINT PRESENTATION CONTEST -27th to 28th SEPTEMBER, 2016

The PowerPoint presentation was entirely based for students to provide them a sense of confidence and imagination. Majority of the students participated in the event .

The event took place on 27th and 28th September, 2016.

INAUGURATION ICEIT STUDENT CHAPTER AND CIRCUIT AND LOGIC DESIGN, SLIDE PRESENTATION COMPETITION WERE ORGANISED FOR ECE STUDENTS ON 15TH OCTOBER, 2016.

The event focused entirely on the logic based problems so that the problem solving ability of students can improve. The students solved magical circuit problems and even complex problems that were beyond expectation.

PROJECT COMPETITION FOR 2ND AND 3RD YEAR STUDENTS BY INNOVO.

The project competition focused on different aspects of personality development and innovation. The students performed beyond expectation. The event was held on 9th November 2016.

IOS LAB INAUGURATION BY THE DIRECTOR OF THE INSTITUTE-22nd Apr'17

The director of the institute Dr. Rajeev Agarwal inaugurated the ios lab for the betterment of the students so that they could work on their ios skills more efficiently.

IOS APPLICATION DEVELOPMENT -27TH JAN 2017

The ios development campaign was held on 27th Jan, 2017. The aim of the campaign was to make the students aware of latest

Technologies

FIRE TRAINING-17TH APRIL 2017.

The fire training program was held by the specialised faculty on cutting edge technologies in ndit. The event was held on 17th April, 2017.

TECHNICAL SESSION (M.E.)- 18TH OF APRIL 2017

The technical session was held on 18th of April, 2017. The session of the program was taken by specialised lecturers of IIT's.

The session was focused on o develop the research capabilities of the students.

ELECTRICAL AND ELECTRONICS ENGINEERING FINAL YEAR STUDENTS PRESENTED MAJOR PROJECT

In this particular section the final year project presentation was done by the students of department of electrical and electronics engineering. The project enhanced the thinking and implementation capacity of students.

ELECTRONICS AND COMMUNICATION ENGINEERING FINAL YEAR STUDENTS PRESENTED MAJOR PROJECT

In this particular section the final year project presentation was done by the students of department of electronics engineering and communication. The project enhanced the thinking and implementation capacity of students.

PROJECT OPEN DAY BY MCA DEPARTMENT 6TH MAY 2017

The organisation of event took place on 6th may 2017. The aim of the project was to make the technologies more economical so that they can reach even the large section of our society

CORPORATE SOCIAL RESPONSIBILITY and CELL ACTIVITY

TREE PLANTATION - 5th May'17 G.L. Bajaj organized a tree plantation drive on 5th May'17 and planted across 200 plants all around the college campus.

Blood Donation Camp -16th Sep'16

A mega blood donation event was organized by the students of G. L. Bajaj, Greater Noida on 16th Sep'16 under the Rotaract Club of G.L. Bajaj

CULTURAL:

Extempore (IT)

Extempore Competition Was organised For IT Students by INNOVOO

INNOVOO- the Department Society of IT Department organized Geek-Speak, an extempore on 30th July 2016. It was a picture based extempore and the topics included technical as well as non-technical matter. Around 30 students of second year participated in the event.

Vishwakarma Pooja by M.E. department

Vishwakarma is the deity of the creative power that holds the universe together according to the Rigveda and is considered to be the original creator, architect, divine engineer of the universe from before the advent of time, also the root concept of the later Upanishadic figures of Brahman and Purusha in the historical Vedic religion. Students of ME Deptt. Worshipped Lord Krishna at their Workshop.

Games of Thrones - Fandom Quiz by M.E department 7th Oct '16

A GOT fandom quiz was organized by G. L. Bajaj on 7th Oct '16 based on the popular TV series GAME OF THRONES.

CYCLING CLUB GL BAJAJ Cycle Ride :GL BAJAJ Cycle Ride for environmental awareness program

With the message of clean environment, the Cycling club at GLBajaj took its first ride on 12th Oct. 2016. Several members of cycling club comprised of BTech, MBA, MCA rode in and around knowledge Park to spread the message of clean environment. The students also took pledged that for all short distances they will prefer using cycle.

HT CITY- ROCK ON CAMPUS

One of the top 200 engineering colleges in the country, ranked by NIRF ratings 2018 — celebrated the academic achievements of the college and the students, with HT City’s Rock On Campus.

“GL Bajaj, as an academic institute, stands for skills, integrity, hopes and dreams as life is not just about grades but also about developing students to their fullest,” said Pankaj Agarwal, vice-chairman of the college.

ENIGMA 2K16

Enigma 2K16 November 16, 2016 aims to find some of the best coding minds in the college. This was an intra college 44 teams comprising of 88 participants participated from CSE, IT and EC dept.

Apollo Camp -19th Nov 2k16.

A free health check-up was organized by Apollo Hospitals in G.L. Bajaj campus on 19th Nov 2k16.

The poster features the GL BAJAJ Educational Institutions logo at the top, which includes a circular emblem with a crown and the letters 'GLB'. Below the logo is the text 'GL BAJAJ Educational Institutions'. The main text 'My Life, My Health. My Pledge' is written in a red, serif font. Below this is the Apollo Hospitals logo, which consists of a stylized 'A' with a flame above it, and the text 'Apollo HOSPITALS TOUCHING LIVES'. Below the logo is the word 'Presents' in a small, black, sans-serif font. The main title 'Free Health Check-up Camp' is written in a large, bold, red, serif font. Below this is the date '19th November, 2016' in a bold, black, sans-serif font. At the bottom, the address 'G.L.Bajaj Institute of Technology & Management Plot No. 2, Knowledge Park III, Greater Noida, Distt. G.B.Nagar' is written in a small, black, sans-serif font. The poster is decorated with two stylized blue and yellow houses with white crosses on their roofs, one on each side of the main text.

SANKALP (fashion parade - Inter Institute Cultural Fest)

Sankalp is an Annual Inter Institute Cultural Festival, which is a unique confluence of art, music, culture & thoughts, depicting the rich heritage & culture of India. It's a celebration of the colours of life of each one of us.

Sankalp is organized by GL Bajaj Institute of Management and Research (GLBIMR), Greater Noida at the outset of winters every year. Participants from various institutes across Delhi-NCR, showcase their talents and participate in the on-stage and off-stage events for. GLBIMR organizes “Sankalp” with the objective of providing a platform to young and budding talent by recognizing & rewarding them.

Blanket Distribution - ICC M.E department A blanket distribution drive was organized by ICC (M.E) and hundreds of blankets were distributed to labours and slums nearby

ALUMNI CONNECT PROGRAMME BY IT DEPARTMENT

The department of information and technology of our college arranged an alumni meet for the year 2016-17. The basic idea behind the particular event was to create a strong college in campus and pass out students connection was the further betterment of the creative and innovative development of students.

Quiz Competition

A multi-topic quiz competition was organized by G. L. Bajaj students. More than 50 students participated and won prizes worth thousands of rupees.

DONATE AND MAKE A DIFFERENCE

A donation drive was organized by the students of G.L.BAJAJ from 20th to 22nd Mar'17 and managed a reasonable amount of resources for the poor and the needy.

ICC(EDITORIAL SOCIETY) – ABHIVAKTI

The Editorial Society of Department of Electronics and Communication Engineering Wing of Innovative and Creative Cell (ICC) conducted various editorial events under the title – ‘ABHIVYAKTI’ on 5th – 6th October 2017. Newspaper design, Extempore & debate, Logo & Moto identification competition were the major events included. More than 60 students from various departments of the college participated in the. Students participated with full enthusiasm and good spirit.

Digital Orientation Session by M.E department 1st Aug ' 16

Specifically, organisations that are guided by a combination of market, learning and entrepreneurial orientations are well-positioned to take advantage of the opportunities presented by digital technologies because they adopt attitudes and behaviours that support the generation and use of market insight, proactive innovation and openness to new ideas. We call this combination the digital orientation (DO), and present a set of propositions that facilitate its development. This paper creates value both through the conceptualisation of the DO and the outlining of the implications for strategic marketing management of understanding the strategic factors supporting or hindering the performance of small and medium enterprises in the digital economy.

Orientation Programme-16th Aug '16

Colleges instituted orientation for incoming students to ease the transition into college. Freshman orientation is a way for students to meet other students, become familiar with campus services, and register for fall classes. ... To the traditional student orientation, they have added parent orientation. Such an orientation program was organized in G.L. Bajaj on 16th Aug '16 for first year students.

PARIKALP 2016 by M.E department

In 2016, more than 700 students participated in PARIKALP to showcase their skills and talent. Studio 34, TATA Technologies and Lelogix support for the conduction of event at national level. Prizes worth 1 lakh rupees distributed among the participants.

MCA-Farewel-2017 -March 25, 2017

“Students enter the campus as raw inputs and go out of the Institute as polished and learned corporate professionals”, with this notion and the rich tradition, MCA bid farewell to their seniors in a fun-filled Farewell Party on March 25, 2017. The Students of outgoing batch were overwhelmed by the gesture of their juniors. Dance, Music, Songs, Skits and a Grand Fashion Show were the main events of the party.

FAREWELL ADIEU (2014-18)

AN ADIEU TO BID FAREWELL TO THE STUDENTS OF THE BATCH 2014-18.

THE EVENT IN WHICH THERE WERE CULTURAL AND MOTIVATIONAL SUB EVENTS.

Celebration of Special Day:

FLAG HOISTING + MINI-MARATHON "GREEN & CLEAN GREATER NOIDA"

A multi-event program was organized by GLBITM on 15th Aug '16.

The chief guest to the occasion was Dr. Mahesh Sharma, Honourable Minister of State - Ministry of Tourism & Culture

Diwali Celebration:

Diwali is an important Hindu festival and it is celebrated with great pomp and show across the country and by almost every religious community leaving behind their cultural and religious barriers.

With regards to this auspicious festival of light G.L.Bajaj institute of technology and management celebrated this very day on 30th October 2016, Sunday. The celebration consisted of the cultural events like rangoli making , dance, singing and games which was enjoyed by the faculty members.

There were also discussions about the problems related to the festival activities.Despite being very well aware about the degrading impact of crackers on our environment, we continue to buy them in an overwhelming manner and burst them without any tinge of regret. Smog being blanketed in the sky is one of the horrifying outcomes of pollution caused by bursting crackers.

With a positive note the event marked its end with the distribution of food and refreshments which was arranged for the faculty members and those who participated the event

CELEBRATE THE SPIRIT OF PATRIOTISM 68TH REPUBLIC DAY 26TH JAN'2017

A patriotic feel filled program was organized by G.L. Bajaj institute of technology and management on 26 Jan 2017.

The flag hoisting was done by Shri Manoj Tiwari (Member of Parliament).

SAVE THE DATE

Flag Hoisting
By
SHRI MANOJ TIWARI
Member of Parliament (Lok Sabha), BJP Delhi State President and Actor
26th January, 2017 (11:00 AM)
At G.L.Bajaj Institute Of Technology & Management
Plot No.2, Knowledge Park III, Greater Noida

68TH REPUBLIC DAY

Toll Free No.: 8010-000-234 | www.glbilm.org

Holi Celebration:

Holi is the great festival of colors, celebrated every year by the Hindu people in India. Holi festival falls every year in the spring season in the month of Falgun (or March). It is one of the happiest festivals of the Hindus like Diwali. It is celebrated every year on the first day of Chaitra month. The whole environment and nature looks very beautiful and colourful at the time of holi.

At this day the G.L.Bajaj Institute of technology and management organised an event to celebrate the essence of this colourful festival.

In the year of 2017 it was celebrated on 12th and 13th march with great enthusiasm and happiness.

On this very day that is on 13 of march events were organised like dancin , singing , rangoli and playing colours.

Refreshments and food facilities were made by the college committee. People enjoyed and loved the event.

SPORTS

Jabong Football Match

final match was played between Gautam Buddha University & G.L. Bajaj Institute of Technology and Management. After what proved to be a highly combative game, Gautam Buddha University emerged as the Champions receiving the Jabong Turf War trophy and a cash prize of INR 25,000. Brishektu Pal from #GLBajaj Institute of Technology and Management, won the Hero of the #Tournament #Award and received a limited edition #Karizma #motorcycle signed by Dutch musician Martin Garix of the Animals fame.
