Faculty Development Program: 'Higher Education, Research, Entrepreneurship - Ask Me Anything'

A one day Faculty Development Program: 'Higher Education, Research, Entrepreneurship - Ask Me Anything' was organized in the campus by the Deptt. of Electrical and Electronics Engineering. The resource person for the session was Mr. Anshuman Tripathi (Sloan Fellow, Stanford Graduate School of Business, California). Anshuman has got an extensive experience in various fields. He has served as a panelist for the National Science Foundation and has held leadership/Director rolls in various startups and Fortune 500 companies. He is presently perusing a startup in emerging storage media. He has worked in IoT, semiconductor, cloud computing and other industries. He is also the founder of an NGO 'Avlambh' focused on bridging digital device worldwide and holds an US patent in chip design in America .

His energy and enthusiasm was contagious and his diverse experience made him the most eligible mentor to inspire the faculty to excel in the academic world. The major focus of the FDP is on upgrading the teaching, training and research skills of teachers— especially those who have had no opportunity to acquaint themselves with recent developments in teaching methodologies and research. The session enabled participants to develop competence in research and pedagogy.

In addendum, a special session was also conducted by Anshuman Tripathi which highlighted the importance of multilingualism. He also shared a few tips on enhancing communication skills. The FDP boosted the confidence level of young teachers by highlighting the importance of the profession they have chosen and inspired them to improve their communication, presentation skills to deliver knowledge through the most innovative ways. For some senior faculty members, this training will work as a refresher and for youngers, it will be an eye opener.

Shilpa Nagar (MBA Batch 2014-2016) stood among the Top Ten students in MBA, AKTU Merit List 2016

Another laurel added in the crown of GL Bajaj family. 'Shilpa Nagar (MBA Batch 2014-2016) stood among the Top Ten students in MBA, AKTU Merit List 2016. She scored 79.96% to rank among the toppers of the university.

Successful completion of CCNA Routing and Switching Certification from CISCO

Mr. Dushyant Kumar Tiwari, Asst. Prof. (Deptt. of ECE), has successfully completed CCNA Routing and Switching Certification from CISCO Networking Academy.

The training session BMW at Automechanika Frankfurt, Germany

GLBIANS Participated in a training at BMW. The training was a part of AutoSol 2016. It included theoretical knowledge along with hands - on experience on a BMW car and also acquired BMW certification.

नोटबंदी से आगे चलकर देश में आएगा आर्थिक सुधार

ग्रेटर नोएडा: नोटबंदी के बाद काला धन निकालने वाले कुछ न कुछ जुगल तैयार कर इसे बाजार में सफल हो सकते हैं, लेकिन सरकार के इस कदम से आगे चलकर देश में आर्थिक सुधार जरूर आएगा। 31 दिसंबर के बाद अर्थव्यवस्था के क्षेत्र में यदि सरकार कोई बड़ी आर्थिक नीति लाती है जिससे हम सरलता से व्यापार कर सकें और व्यापार में उपरोक्तान को बढ़ावा मिले तो देश बहुत आगे जा सकेगा। यह कानून है अर्थशास्त्री व जीएल वज्जज इंस्टीट्यूट में सहायक प्रोफेसर के रूप में कार्यरत डॉ. रुपाली प्रमाणिक का। नोटबंदी विषय पर उन्होंने अमर उजाला संवाददाता सदीप वर्मा के सवालों के जवाब दिए।

डॉ. रुपाली प्रमाणिक
अर्थशास्त्री

अर्थशास्त्री व जीएल वज्जज इंस्टीट्यूट की सहायक प्रोफेसर डॉ. रुपाली प्रमाणिक ने कहा

नोटबंदी का भारतीय अर्थव्यवस्था पर क्या प्रभाव पड़ेगा?

भारतीय अर्थव्यवस्था में ज्यादातर व्यापार अनौपचारिक लेनदेन पर निर्भर है। नोटबंदी के बाद यदि केंद्र सरकार व्यापार को बढ़ावा देने के लिए कोई योजना आर्थिक नीति लाती है तो अर्थव्यवस्था में जबरदस्त सुधार होगा। काला धन वापसी के लिए कैसा है कदम?

नोटबंदी से काला धन पर पहरी चोट होना मुश्किल है। काला धन रखने वालों ने कई हथकंडे अपना रखे हैं। हालांकि, नकली नोट से जो राश अर्थव्यवस्था को नुकसान से जबरन रहत मिलेगी। इस कदम से आर्थिकवाद को साहायता पहुंचाने वाली को जरूर परेशानी होगी।

जीएलबी का क्या रहेगा हाथ?

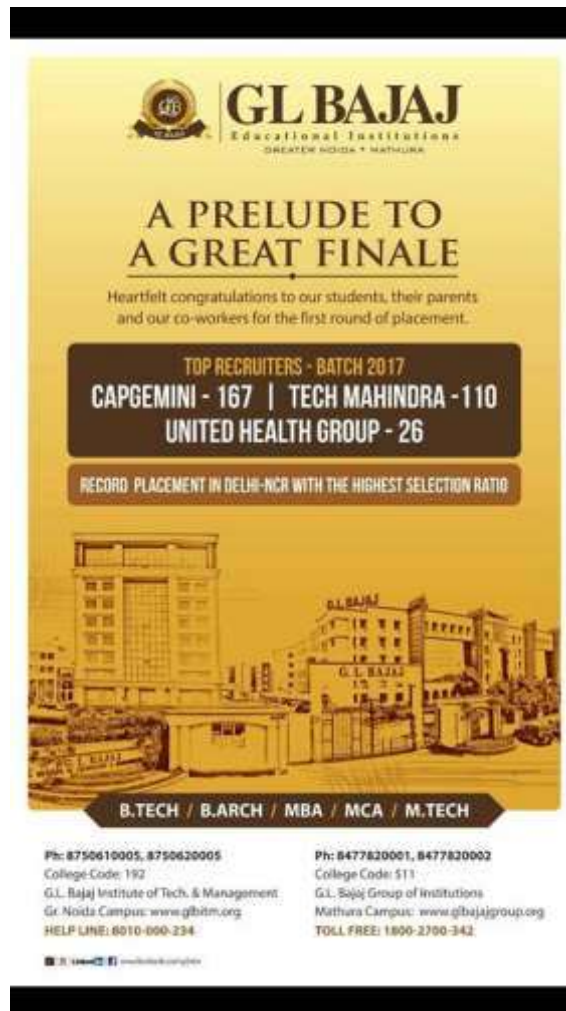

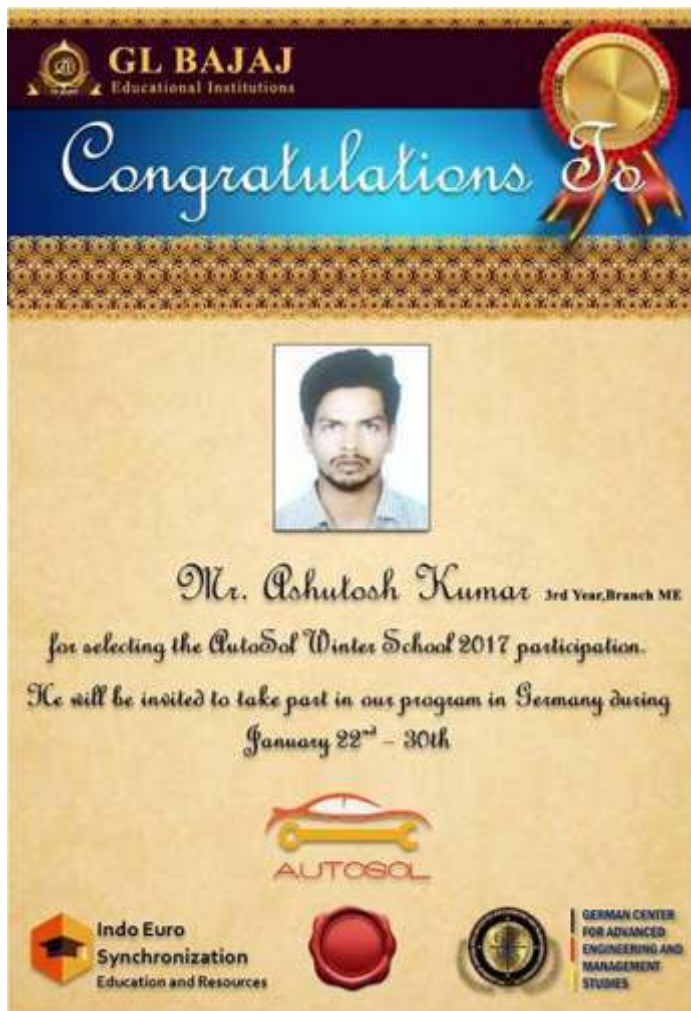

नोटबंदी से लगभग पूरे दिसंबर तक व्यापार में मुश्किल होगी। आर्थिक नीतियों के कारण अर्थव्यवस्था आगे जानकर उछाल मारेगी।

कैशलेस ट्रांजैक्शन से कितना फायदा?

देश में पूरे तरह कैशलेस ट्रांजैक्शन को लागू करना बेहद मुश्किल है। यदि एक बड़े क्षेत्र में इसे लागू कर दिया जाए तो अधिक से अधिक टैक्स सरकार को जा सकेगा।

AutoSol Winter School 2017

Ashutosh Kumar, a student of Department of Mechanical Engineering got selected for AutoSol Winter School 2017, one of its kind program that provides a unique opportunity to get a cutting edge experience in German Technology with the combination of Research, Business - Career and Manufacturing Technology. Ashutosh joined the AutoSol Team in Germany on 22nd and stayed there till 30th January, 2017.

E-Cell, G L Bajaj ranked 5th in National Entrepreneurship

A Proud Moment for E-Cell GLBajaj
E-Cell G L Bajaj has been ranked 5th in National Entrepreneurship Challenge organised by E-Cell, IIT Bombay.

Ethical voting

GLBIANS enthusiastically took part in various events like nukkad natak, rangoli, poster making, slogan writing to raise awareness about ethical voting amongst the voters.

GL Bajaj Family celebrated 68th Republic Day of India

26th January, 2017, The 68th Republic Day of India was celebrated with all fun and fervor at GL Bajaj Campus. The Chief Guest on the occasion was Sh. Manoj Tiwari, BJP Delhi President, Actor, Singer, TV Presenter and Music Director. The Program started with the lamp lighting ceremony followed by musical tribute to Maa Saraswati. After that an enthusiastic group of around three thousand members comprised of faculty, staff and students witnessed hoisting of a 100 feet high national flag by the chief guest. On this pious occasion, everyone paid tribute to all those martyrs who had laid down their lives to realize the dream of 'Indian Republic.'

Speaking on the occasion, Sh. Pankaj Agarwal, Vice Chairman of the Institute said that "today India is a rising power, a country fast emerging as a global leader in science, technology, innovation and start-ups, and whose economic success is a matter of envy for the world. Whatever we have today is given by our country to us". He said that 'Desh hume deta hai sab kuch, hum bhi to kuch dena sikhe', hence, it is our duty to give back to the country in whatever form we can. He said that he is delighted that GL Bajaj family is also doing its bit in the making of the nation, but more is required to be done. He quoted Dr. S. Radhakrishnan "End-product of education should be a free creative man", and said that the advent of the 'Global Village' demands that this free and creative man should also be able to master the velocity of change to absorb disruptions which are getting embedded in the systems and societies. He insisted on the need of an eco-system that fosters critical thinking and makes teaching intellectually stimulating. He said that environment must inspire scholarship and encourage unfettered respect for knowledge and teachers and it must instill a spirit of reverence towards women that will guide social conduct of an individual throughout his life. He said that the generational change has happened. Youth have moved centre-stage to take charge. March ahead with Tagore's words "Move ahead, the roll of drums announces your triumphal march; With feet of glory, you shall cut out your own path; Delay not, delay not, a new age dawns." On this reverent occasion, he asked the GL Bajaj family members to pledge to put their minds and hearts together and achieve the pedestal yet not attained and to do their bit with the devotion, dedication and discipline they deserve.

In his address to the audience, the Chief Guest, Sh. Manoj Tiwari said that Republic Day is significant, as it observes the enforcement of the Constitution of India which declared India as a sovereign, democratic and republic country. Every Indian should celebrate Republic Day with great zeal, enthusiasm and a lot of respect. He also highlighted that the education must breed a culture of deep thought and create an environment of contemplation and inner peace. He said that through an open-minded approach to the wider spectrum of ideas emanating from within, our academic institutions must become a world-class entities. On the demand of the students he also sang some popular Bollywood numbers and folk songs. The whole GLB campus was full of tri- colored faces, balloons, flags, attires and echo of Bharat Mata ki jai, Vande Matram, Jai jananni. Students sang melodious patriotic songs and marched on the drum beats. The program culminated with the thanks note by Prof. Rajeev Agarwal, Director of the institute.

Jabong Turfwar Season-2 @GLBajaj

GL Bajaj campus witnessed the second season of Turfwar on 27 and 28 January, 2017. The event turned out as a festival of fun, fashion and football. 16 colleges of Delhi-NCR such as Amity, Sharda University, GNOIT, NIET, Gautam Buddha University, etc. along with G.L. Bajaj exhibited their competence in front of a huge gathering of approx. 10,000 youngsters.

In this format, each team fields four outfield players and a goalkeeper in five-a-side football. With relatively smaller pitch, goal posts and a reduced duration, the game is much more fast-paced and action oriented, where every minute counts. The field is enclosed within a barrier or 'cage' to prevent the ball from leaving the playing area and keep the game flowing.

Sophie Chaudhry, famous singer, MTV VJ and actress rocked GL Bajaj campus on Jan 28, 2017. She was there to felicitate winners of the Jabong Turfwar Session 2. Sophie interacted with the Glibians and also sang popular numbers on the demand of the audience. The event was hosted by MTV VJ Cline Varghese. Celebrities from the hit reality shows, MTV Roadies and Splitsvilla - Martina Thariyan, Shreeradhe Khандуja and Benafsha, added more glitz to the show along with the actress, singer, model, TV presenter and former MTV VJ Sophie Choudhry.

The event also featured a fashion show sponsored by the global premium apparel and denim brand GAS, which provided a chance to win GAS jeans and other prizes to the participants every hour. The event also engaged the audience through emcee games and quizzes. Held over two days, the tournament captivated the audience with some exceptional cultural performances by rock band Swarrveda and award-winning DJ Varun Dayal.

Speaking on the occasions Pankaj Agarwal, Vice Chairman, G.L. Bajaj Institute of Technology and Management said, "G.L. Bajaj Institute of Technology and Management, Greater Noida is glad to connect with Jabong for Turfwar Session II. This event has filled G.L. Bajaj campus with immense energy. I feel that this event has not only boosted physical fitness but has also contributed to the much-needed life skill lessons. Time management, resource management, leadership skills, team work, all are the by-products of this Jabong Turfwar. I suppose that Jabong will continue to create more avenues for youngsters."

AMTEK Industrial Visit 2017, Department of Mechanical Engineering
